

Skill Lesson 1 Assessment

- Draw 3 lines down the left side of the stage
- Customize each line to look different from each other.
 - Change line type
 - Change line thickness
 - Change line color
- Curve one of the lines
- Draw a triangle with the pencil. Set the stroke to:
 - Type = dotted
 - Thickness = 9
 - Dot spacing = 4
 - Color = your choice

Paint bucket tool

- Close large gaps.
- Color should be different from the stroke color
- Use the paint bucket tool to fill in the triangle.

Brush Tool

- Paint squiggly lines behind the triangle
- Select the triangle
- Change the brush mode to paint selection
- Change paint color
- Paint stripes inside the triangle

Oval Tool

- Stroke color = blue, Fill color = red
- Draw oval (or circle)
- Copy and paste oval
- Free transform 2nd oval to a smaller size
- Move the smaller circle on top of larger oval

- Draw a Star on the stage

Finished assessment will look similar to this
